18 November 2016

Dear Parents/Caregivers

IMPORTANT INFORMATION ABOUT 2017 – YEAR 11

The 2017 Year 11 equipment list is attached, including information on how to place your order with Office Choice. Please note the deadline for placing your order is **Friday 9 December**. This will ensure that your order will be delivered to your door by mid-January. Stationery requirements may be sourced elsewhere however, please ensure all items supplied are as per the stationery list.

As mentioned previously the College will be purchasing any necessary student workbooks, and these will be supplied via the subject teacher at the beginning of Term 1. All costs for these workbooks have been included in your College fees.

All students will be issued with a 13inch MacBook Air laptop from the library. Laptops **MUST** have a hard clip-on case at all times (this is not provided by the College). These can be purchased online via eBay or at retail shops such as the Apple store or JB Hi-Fi. These cases vary in price and quality, so it is up to each family to source an item they feel will provide suitable cover for the laptop. Students in Year 10 2016 will take their current cases home with them at the end of the school year, but you will need to check that these are not broken, and still provide protection for the laptop.

Your son/daughter has been emailed a list of the subjects he/she will be studying in 2017. Please make sure you only purchase items for the subjects that your son/daughter will be studying

It is essential that students have all necessary equipment on the first day of Term 1 2017.

If you have any queries regarding the booklists, please contact the Secondary Administration on 5436 5693 or secondary.admin@glasshouse.qld.edu.au

Yours faithfully

David Heyworth
Head of Senior School
