

18 November 2016

Dear Parents/Caregivers

## **IMPORTANT INFORMATION ABOUT 2017 - YEAR 8**

The 2017 Year 8 equipment list is attached, including information on how to place your order with Office Choice. Please note the deadline for placing your order is **Friday 9 December**. This will ensure that your order will be delivered to your door by mid-January. Orders may still be placed after this time directly with **Office Choice** but delivery will be at a later date. Stationery requirements may be sourced elsewhere however, please ensure all items supplied are as per the stationery list.

As mentioned previously the College will be purchasing any necessary student workbooks, and these will be supplied via the subject teacher at the beginning of Term 1. All costs for these workbooks have been included in your College fees.

All students will be issued with a 13inch MacBook Air laptop from the library. Laptops **MUST** have a hard clip-on case at all times (this is not provided by the College). These can be purchased online via eBay or at retail shops such as the Apple store or JB Hi-Fi. These cases vary in price and quality, so it is up to each family to source an item they feel will provide suitable cover for the laptop. Students in Year 7 2016 will take their current cases home with them at the end of the school year, but you will need to check that these are not broken, and still provide protection for the laptop.

### **All Year 8 students study the following core subjects:**

- English and Humanities
- Mathematics
- Science
- Health and Physical Education
- French
- Foundations
- Business/Civics and Information and Communication Technology - ICT

The students then do a total of **8 rotational subjects** - listed below over the course of the year so you will need to purchase all stationery required for the following subjects:

- Art
- Dance
- Design Technology
- Drama
- Food Technology
- Industrial Technology
- Music
- Textiles Technology

## About the Middle School Equipment list:

Students' organisational skills are very important and we work hard to instill good practices. It is essential that students have all necessary equipment on the first day of Term 1 2017.

Please be careful when choosing book coverings and logos, as they need to be in line with **College policy**:

- No skulls or pictures of a 'horror fantasy' nature
- No pictures of anyone in states of partial dress
- No pictures in violation of the College's Christian ethos
- If in doubt it would be best to go with another choice

If you have any questions regarding the secondary equipment lists, please do not hesitate to contact the Secondary Administration on 5436 5693 or [secondary.admin@glasshouse.qld.edu.au](mailto:secondary.admin@glasshouse.qld.edu.au)

Yours faithfully

Jacqualina Vreeling  
Head of Middle School
