A guide to labelling Year 4 stationery
Labelling Books

Make sure your name is at the **TOP** of each book. Preferably in the top right corner. Ensure it is clearly visible.

By putting small subject labels in the corners of the front cover, you are able to find the book you’re looking for without having to get everything out of the tidy tray.

The placement of the label depends on which way the books are stacked in the tidy tray.
Labelling Books

Year 4 Books:
- English x2
- Science x 1
- History / Geography x1
- Homework x2
- French exercise
- Maths graph
- Maths scrap book
- Health scrap book
Labelling Stationery

Label **ALL** stationery (including pencils) with your name on paper stuck down with tape or name stickers. Make sure each one is clearly visible. Please do not use permanent marker on items of frequent use, as it rubs off. It is fine on calculators and rubbers.

You may choose to bring items you used in Year 3. Please ensure these are in good working order and **without graffiti**.
Spare Stationery

Please bring all spare/extra stationery to school in an old pencil case – clearly named.

Students can then access their extra pencils and other stationery whenever needed.

Please provide a suitable art shirt, well named.
Now everything is in place and ready for the first day of school.
