1 February 2017

Dear Parents/Caregivers

IMMUNISATION PROGRAM FOR ALL YEAR 7 STUDENTS

During 2017 Queensland Health’s School Based Vaccination Program will be conducted at our College on the following dates:

9 March 2017              1 June 2017              2 November 2017

The vaccination program includes:

dTpa (Diptheria, Tetanus, Pertussis)
HPV (Human Papillomavirus)

Please read carefully **ALL** the information provided with the consent forms which were handed out to all Year 7 students this morning in PC class.

The vaccinations will be conducted by a team of specially trained registered nurses. **If you do not wish** your child to be vaccinated, or your child has already been vaccinated with the offered vaccines, it is **still important that you complete the form/s (ticking no). All forms are to be returned to Middle/Secondary Admin by:**

**MONDAY 6 FEBRUARY 2017**

Yours sincerely

M.C.
Principal
