What is Funfest?

• Funfest is our College fete, held by the P and F every two years.

• It's all about the children. Getting them involved in preparations, having fun on the day and being proud of GCC.

• Funfest brings our College community together – mums, dads, teacher’s, students and staff. All working together to create a memorable event.

• Funfest is an ideal opportunity to showcase our College and also the wider community.

• Funfest raises money which enables the P and F to purchase additional equipment for our children.
Some History

• GCC held it’s first fete back in 2009. Funfest was born!

• Funfest was held again the next year (2010) and grew considerably in size.

• After holding Funfest two years running, we decided to run the event only every second year. Reasons for this were:
  • It had become very time consuming for the organisers and parent helpers.
  • It interrupted class/teacher and Admin activities.
  • It asked a lot of a very small community to contribute every year.

• Over the years, Funfest has grown substantially in size. When the event was first held, we had around 400 students. In 2014 there were 860!

• The last 2 events have made profits of $30,000 each.

• Profits from Funfest have gone towards things such as Playgrounds, large shade structures, sporting equipment and more.

How do we get started?

Before the end of this year:
• All key roles need to be filled
• Budget needs to be set and approved by P and F
• Rides need to be booked
• Small communication in Newsletter

Early in 2016:
• Brief teachers and begin Class Stall Preparation
• Begin booking and organise the schedule of events and activities
